2nd May 1963

Professor J. Lederberg,
Department of Genetics,
Stanford University,
STANFORD, CALIFORNIA.

Dear Josh,

I will be passing through California during the second week of July, on my way to a conference at Madison. I would like to see you briefly on Friday 12th July, if possible. I leave late that night by plane for Madison. Would this be convenient?

Best wishes,

Yours sincerely,

Frank

Frank Fenner.
